

Things to Bring to Camp

We recommend packing everything in soft-sided duffle bags, if possible. We only do laundry for campers coming for more than 2 weeks of camp. If you are coming for two weeks, please bring enough clothes for 14 days.

- We will be sleeping on twin beds so please bring a pillow and either a sleeping bag or sheets & blankets.
- We also like to have 'Wacky Wednesday' so bring some fun clothing/costumes to wear if you want.
- While cell phones are not permitted, you may bring any music you like to listen to on an iPod/MP3 player. Feel free to bring any musical instruments along with you.
- There will be nothing to buy at camp, so there is no need to bring any spending money.
