

PACKING LIST

We recommend packing everything in soft-sided duffle bags, if possible. We only do laundry for campers coming for more than 2 weeks of camp. If you are coming for two weeks, please bring enough clothes for 14 days.

- Bring a pillow and a sleeping bag and/or sheets & blankets. We will be sleeping on twin beds.
- We like to dress up at camp. Bring some silly clothes or costumes to wear for "Wacky Wednesday" and evening activities
- Cell Phones are not permitted at camp, but you may bring any music players that do not connect to internet (iPod, mp3 player, Mighty, CD player, etc)
- There will be nothing to buy at camp, so there is no need to bring any spending money.
