notes on packing

Laundry is done for campers who are staying at camp for 3 weeks or more. If your teenager is enrolled in Session A, Session B or Session E please make sure you pack enough clothing for their entire stay. We recommend using soft sided duffle bags rather than hard suitcases.

All campers are required to bring bedding and towels. Campers are encouraged to bring twin sheets and blankets and/or a sleeping bag. Don't forget your pillow!

On Wacky Wednesdays we like to dress up, so if you have any costumes at home, definitely pack them. You never know when they will come in handy.

Things to Leave Behind

Our cabins do not have electrical outlets so items such as hair dryers, curling irons, etc. should be left at home. There is no need for anything valuable at camp. All program supplies (art supplies, sports equipment, etc.) are provided by OTC. There is no need to send any such items to camp. Please do not send food or snacks to camp. There is no need to pack money or cash, as there is nothing to buy at camp.

As stated in our Camper Agreements, OTC does not allow tobacco, drugs and alcohol. If we find a camper to be in possession of any prohibited items they will be asked to leave camp immediately and no refund will be issued.

Lost/Left Behind Items

Despite our best efforts, inevitably items are misplaced or left behind when the session ends. This can best be avoided by labeling all of your teenager's belongings.
